Work Details

Describe all work to be completed, equipment that will be used, and an estimated weight of equipment. Please be as detailed as possible and include a site map identifying township roads to be used with this permit. Attach separate pages, as needed.

Applicant, please read and sign, acknowledging and accepting the following:

Road Agreement

The Operator/Company will take appropriate measures to ensure minimal damage to roads. We recognize the township roads are to be appropriately maintained and promptly repaired, if damaged. The Operator/Company accepts responsibility to keep township roads free of debris, mud, trash, etc., and to, as closely as possible, restore the road to its original state. This includes providing and applying gravel to permitted roads, if needed. We also agree to provide any means necessary to ensure that this plan is fully executed and completed.

Township Right-of-Way Acknowledgement

All Operators/Company Employees: Please be aware that some township roads may be adjacent to PRIVATE PROPERTY. If your project is expected to utilize right-of-way accessibility, it is your responsibility to contact and notify the property owner before any use of said right-of-way has begun. This includes any disturbance to the property such as tree removal or a change in slope of property. Permission must be obtained, IN WRITING, from the adjacent property owner. A signed copy of the agreement must be attached to this application before filing it with the township office.
